Description

In preparation for the submission of Discovery Grant applications, NSERC will host webinars to assist the research community on "How to complete an application" using the Research Portal and the NSERC Canadian Common CV (CCV).

In order to be better prepared for our webinars, we encourage you to familiarize yourself with our Instructions for Completing an Application and Frequently Asked Questions. You are also

NSERC Webinars on how to complete and submit a Discovery Grant application
Published on Research Alerts (https://www-research.uoguelph.ca/research/alerts)

invited to watch the [Submitting an NSERC individual Discovery Grant application through the Research Portal](#) tutorial.

Note that we have limited space in our webinars. Should you not be able to join, you can always connect through the teleconference and follow along with the presentation which will be available on our [website](#).

Considering the high attendance to our webinars, NSERC staff may not have time to respond to individual questions during the session. Questions should be directed to our support team: [RESGRANT@NSERC-CRSNG.GC.CA](#).

First time attending an Adobe Connect meeting?
