

## **Ontario Grape & Wine Research Inc. Marketing Vineyard Improvement Program**

### **Sponsor**

Ontario Grape and Wine Research Incorporated

### **Program**

Marketing Vineyard Improvement Program

### **Description**

In 2015, OMAFRA chose Ontario Grape and Wine Research Incorporated? (OGWRI) to administer the Research and Innovation Development (R&ID) portion of the Marketing Vineyard Improvement Program (MVIP). OGWRI is now calling for proposals for the Marketing Vineyard Improvement Program. The objective of this program is to provide funds to improve the quality, productivity and adaptability of grape and wine production by promoting industry-wide access to innovative tools, technologies, resources, knowledge and information for grape and wine making. All activities must start on or after April 1, 2020 and be completed no later than February 28th, 2021. All information and results must be made readily available and accessible to all members of the industry and public. Projects may not receive any additional provincial government funding.

Past projects funded by this program can be reviewed on the OGWRI [website](#) [1].
