

Opportunity to Participate: Francophone research study

Sponsor

Francophone Association for the Advancement of Science (ACFAS)

For More Information

Background information about the study is available (in French only) at: <https://ici.radio-canada.ca/nouvelle/1171678/francais-science-recherche-minorite-savoir-etude-2019> [1]

Description

The Francophone Association for the Advancement of Science (ACFAS) is conducting a study on the experience of French-speaking university researchers working in minority contexts in Canada. The study is being funded by Heritage Canada and conducted in collaboration with the Canadian Institute for Research on Linguistic Minorities and researchers from the Université de Montreal.

Interested researchers are to send their full name, title, contact information and department to the attention of Laura Pelletier, project manager for the study at: laura.pelletier@acfas.ca [2].

Researchers who have any questions or require further information on the study, are encouraged to contact Ms. Pelletier at the email listed above.

For Questions, please contact

Laura Pelletier, project manager: laura.pelletier@acfas.ca [3]
