

Partners In Research (PIR) National Awards - 2019 Competition

Sponsor

Partners in Research

Description

Nominations for the 2019 PIR National Awards are expected to open in November 2018

PIR's mandate is to educate the public about the importance and significance of research within the biomedical and natural sciences, technology, engineering and mathematics domains. Awards celebrate the promotion to the public of leading Canadian research through outreach activities and recognize the impact of this research on the lives of Canadians. There are six different awards:

- Biomedical Science Ambassador Award
- Science Ambassador Award
- Technology and Engineering Ambassador Award
- Dr. Jonathan Borwein Mathematics Ambassador Award
- Ronald G. Calhoun Science Ambassador Award
- Young Ambassador Award
