

Pre-Announcement and Funding Opportunities - Medical Research

Sponsor

U.S. Department of Defense (DoD)

Program

Congressionally Directed Medical Research Programs (CDMRP).

For More Information

Descriptions of each of the anticipated funding opportunities, eligibility, key mechanism elements, and funding can be found in the Program pre-announcements. FY21 pre-announcements can be found in the CDMRP [home page](#) [1]. Subsequent notifications will be sent when the program announcements/funding opportunities are released. Detailed descriptions of the funding opportunities, evaluation criteria, and submission requirements can be found in the specific Program Announcements. The Program Announcements are available electronically for downloading from the Grants.gov [website](#) [2], the CDMRP [website](#) [3], and the electronic Biomedical Research Application Portal ([eBRAP](#) [4]). Additional information about applying to CDMRP programs, as well as tips for successfully preparing applications for different types of CDMRP award mechanisms, are available in the CDMRP [Webinar](#) [5] Series.

All CDMRP funding opportunities, both recently and previously released, are available on the CDMRP [website](#). [1]

Description

FY21 Pre-announcements released:

Gulf War Illness Research Program (GWIRP)

- Idea Award
- Research Advancement Award
- Clinical Evaluation Award
- Therapeutic/Biomarker Trial Award
- New Investigator Award

Lung Cancer Research Program ([LCRP](#)) [6]

- Concept Award
- Career Development Award
- Idea Development Award
- Investigator-Initiated Translational Research Award
- Clinical Translational Research Partnership Award
-

Peer Reviewed Medical Research Program ([PRMRP](#) [7])

- Clinical Trial Award
- Discovery Award
- Focused Program Award
- Investigator-Initiated Research Award
- Technology/Therapeutic Development Award

How to Apply

Submission is a two-step process requiring both pre-application submission and full application submission. All pre-applications must be submitted through [eBRAP](#) [8]. Full applications must be submitted through [Grants.gov](#) [9]. Refer to the General Application Instructions, Section II.A. for registration and submission requirements for eBRAP and Grants.gov. For detailed information on the submission process, refer to Section II.D. of the Program Announcement/Funding Opportunity.

If you are interested in applying, please contact Angela Vuk as soon as possible to assist you through the submission process.
