

## Research Canada Leadership in Advocacy Award - 2021

### Sponsor

Research Canada

### Description

Research Canada's Leadership in Advocacy Award honours outstanding advocates for medical, health and scientific research. The Leadership in Advocacy Award is presented to individuals and/or organizations who/which have made outstanding efforts in advocating for Canadian health research at the local, provincial and/or national level. The Leadership in Advocacy Award is aimed at recognizing excellence in health research advocacy rather than excellence in health research, for which there are many other prestigious awards.

### Eligibility

Individuals and Organizations are different categories and nominations will be evaluated separately. All nominees must be advocating for Canadian health research taking place in Canada.

Refer to [Research Canada Leadership in Advocacy](#) [1] website for more specific details.

### Prize

The award will be presented at Research Canada's Annual General Meeting in June 2021. The name of the award recipient will be kept confidential until the award is presented.

### Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [2].

### Deadlines

**If College-level review is required, your College will communicate its earlier internal**
