

Research Programs for Melanoma, Multiple Sclerosis, and Alcohol and Substance Abuse Disorders

Sponsor

United States Department of Defense (DOD)

Program

Congressionally Directed Medical Research Program (CDMRP).

For More Information

Descriptions of the anticipated funding opportunities, eligibility, key mechanism elements, and funding can be found in the Program pre-announcement. FY21 pre-announcements can be found in the [CDMRP](#) [1] home page. Subsequent notifications will be sent when the program announcements/funding opportunities are released.

Detailed descriptions of the funding opportunity, evaluation criteria, and submission requirements can be found in the Program Announcements. The Program Announcements are available electronically for downloading from the [Grants.gov](#) [2] website, the [CDMRP](#) [3] website and the electronic Biomedical Research Application Portal ([eBRAP](#) [4]).

Description

The following Pre-announcements have been released:

Alcohol and Substance Abuse Disorders Research Program

- Consortium Award

The following Funding Opportunities have been released:

Melanoma Research Program

- **New!** Melanoma Academy Leadership Award
- **New!** Melanoma Academy Scholarship Award
- Mid-Career Accelerator Award

- Idea Award Team Science Award
- Translational Research Award

Multiple Sclerosis Research Program

- Clinical Trial Award
- Early Investigator Award
- Exploration - Hypothesis Development Award
- Investigator Initiated Award

Funding Availability

See specific call for applicable funding information.

Indirect Costs

10%

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [5].

If you are considering applying, please contact [Angela Vuk](#) [6] as soon as possible to assist with application requirements.

How to Apply

Submission is a two-step process requiring both pre-application submission through the electronic Biomedical Research Application Portal ([eBRAP](#)) [7] prior to the pre-application deadline, and full application submission through [Grants.gov](#) [2]. All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the [Grants.gov](#) [8] website. For detailed information on the submission process, refer to the specific Program Announcement/Funding Opportunity.

If you are interested in applying, **please contact the Office of Research as soon as possible so we can work through the application process and [Grants.gov](#) [2] with you.**
