

Robarts Research Institute: J. Allyn Taylor International Prize in Medicine - 2020

Sponsor

Robarts Research Institute?

Description

The Taylor Prize is awarded annually by Robarts Research Institute to an individual or individuals who have made significant contributions to a field of basic or clinical research in one of the Institute's principal areas of research.

Each year a topic is selected and the scientific community is invited to nominate individual scientists or groups of scientists whose initiatives fall within that particular field of research. **Information will be updated upon program launch.**

Prize

The Prize, which consists of a cash reward of \$25,000, an engraved medal, and a framed certificate, is awarded to one or more individuals who have made significant contributions in basic or clinical research.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
