

Robarts Research Institute: J. Allyn Taylor International Prize in Medicine - 2023

Sponsor

Robarts Research Institute?

Description

The Taylor Prize is awarded annually by Robarts Research Institute to an individual or individuals who have made significant contributions to a field of basic or clinical research in one of the Institute's principal areas of research.

Each year a topic is selected and the scientific community is invited to nominate individual scientists or groups of scientists whose initiatives fall within that particular field of research.

This year's theme is *Innovation and Discovery in Biotherapeutics for Cardiovascular Disease*.

Prize

The Prize, which consists of a cash reward of \$40,000, an engraved medal, and a framed certificate, is awarded to one or more individuals who have made significant contributions in basic or clinical research.
