

SFARI 2019 Research Award - Request for Applications

Sponsor

The Simons Foundation Autism Research Initiative (SFARI)

Program

[SFARI 2019 Research Award - Request for Applications](#) [1]

Description

Grants awarded through this program are intended to provide support for the investigation of key unresolved research questions in autism, particularly those that connect etiologies to brain function and behavior. Unlike SFARI Pilot Awards, risk and novelty are welcome but are not required criteria for the proposal to be considered meritorious. Competitive applications will have preliminary data or other relevant groundwork that justifies substantial investment on the proposed topic.

Eligibility

All applicants and key collaborators must hold a Ph.D., M.D. or equivalent degree and have a faculty position or the equivalent at a college, university, medical school or other research facility. In addition, eligible applicants must have independent lab space at their institution.

Funding Availability

The maximum budget is \$1,300,000, including indirect costs, over a period of up to four years.

Indirect Costs

20%

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
