Program

Shastri Institutional Collaborative Research Grant (SICRG)

For More Information

Please see the sponsor's website [1] for more information including the application form.

Description

The objective of the Shastri Institutional Collaborative Research Grant (SICRG) is to encourage and promote institutional collaboration in research and development between Indian and Canadian institutions in the areas in which institutions from SICI's Indian and Canadian member council can gain and develop.

Eligibility

- Proposed SICRG projects must involve a bi-national research initiative in any of the fields mentioned above.
- Faculty members/academics/researchers of Canadian and Indian member institutions are eligible to apply for this grant. A list of SICI member institutions is available at the link provided here: http://www.sici.org.in/index.php?page=member-institutions [2] .
- The applicant should be a full-time faculty member of a Canadian or Indian member institution.
- The applicant must be a citizen or permanent resident of Canada or India.
- The recipient of the award is a faculty member from an Institution of good standing either from India or Canada who are in the Member Council of SICI.

Funding Availability

Five awards

Maximum Project Value

INR 10, 00,000 with the grant disbursed in two equal installments of 5 lakh each year.

Additional contributions from the applicants' institutions to the project are encouraged.

Indirect Costs

Institutional overhead costs are not eligible.

Project Duration

Two years

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
