Description

This Shastri Mobility Program (SMP) is for SICI's member institutions who wish to bring about a change in their university and/ or course by understanding the Canadian education system and the curriculum through their visit to Canadian institutions, and delivering lectures or teaching a module/part of a course in the visiting Institutions. The research theme for the program will cover issues concerning all domains of studies including the focus areas of SICI. The Institute in its broader ambit also includes vocational education and development areas as specified in the Xth Addendum of the MoU.

The Mobility Program has two components: **senior academics** and **educational administrators**. The program will provide an opportunity for personal enrichment and professional development for senior academicians/educational administrators. The program will enable higher education officials to create empowering connections with the societal, cultural and higher education systems of Canada and India. Recipients will have an opportunity to learn about the host country's education system as well as establish networks. This experience will

also permit senior academics/ educational administrators to collaborate with colleagues abroad, share professional experiences, hone expertise and diversify academic curricula.

Eligibility

- The applicant should be a full-time faculty member of a Canadian or Indian member institution.
- Faculty members educational administrators of Canadian and Indian member institutions are eligible to apply for this grant. A list of SICI member institutions is available at the link provided here: http://www.sici.org.in/index.php?page=member-institutions [2] .
- The applicant must be a citizen or permanent resident of Canada or India.
- A letter of invitation from the host institution is required.
- Minimum of two reference/support letters to be provided towards your candidature for the award mentioning your calibre and justifying the request of your visit for the proposal purpose.
