
Simons Early Career Investigator in Marine Microbial Ecology and Evolution Awards 2023

Sponsor

Simons Foundation

Description

The purpose of these awards is to help launch the careers of outstanding investigators in the field of marine microbial ecology and evolution who will advance our understanding through experiments, modeling or theory. Investigators must be currently active in research on microbial ecology and/or evolution, excluding research focusing on the microbiomes of animals or plants. Investigators with backgrounds in different fields are encouraged to apply.

The foundation anticipates appointing up to five investigators in 2023.

Program details and timeline are not yet confirmed. This information will be updated when the program launches.

Eligibility

- Applicants must hold a Ph.D. or equivalent degree.
- They must have carried out research in a tenure-track position for at least one year, and no more than eight years (start date of first independent position must be between November 2013 and November 2020) and must currently hold a tenure-track or tenured position at a U.S. or Canadian institution.
- They must be the principal investigator (PI) or co-PI currently or within the past year on a research grant from a national governmental agency or major foundation.
- They may also be eligible if they hold such a grant in a closely related field AND are an author on a publication in the field of marine microbial ecology within the last three years.

Prize

Grants will be for \$222,000 USD per year, including indirect costs (limited to 20 percent of modified total direct costs), for a period of three years, subject to annual reviews and continuation of research in areas relevant to the purpose of this program. Appropriate expenses include salary support for the investigator and postdoctoral and graduate research assistants, travel, equipment, supplies and other research expenses.

Awards will begin April 1, 2023.

Awards will be governed by the [Simons Foundation policies](#) [1].

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [2].

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
External Deadline	Saturday, November 5, 2022 - 5:00pm	Please submit the Letter of Intent (LOI) directly to Simons Foundation website [3] by the external deadline. Please also submit a copy of the LOI and an OR-5 to research.services@uoguelph.ca [4] by the external deadline.
External Deadline	Saturday, February 18, 2023 - 5:00pm	Finalists selected for submission of a full application will be announced by January 20, 2023. If you are selected to submit a full application you must contact research.honours@uoguelph.ca [5] as soon as possible as the full application requires institutional review (e.g., budget and budget justification) and requires institutional approval well before the external deadline of February 18, 2023. As this is an international prize, the

Type	Date	Notes
		University may engage the Global Excellence Initiative [6] to coordinate external review of your application. Submit the final application to the Simons Foundation website [3]. Please also submit the final application and OR-5 to research.services@uoguelph.ca [4] by the external deadline.

How to Apply

Please submit the Letter of Intent (LOI) directly to [Simons Foundation website](#) [3] by November 5, 2022. Please also submit a copy of the LOI and an OR-5 to research.services@uoguelph.ca [4] by November 5, 2022.

If you are selected to submit a full application you must contact research.honours@uoguelph.ca [5] as soon as possible as the full application requires institutional review (e.g., budget and budget justification) and requires institutional approval well before the external deadline of February 18, 2023. As this is an international prize, the University may engage the [Global Excellence Initiative](#) [6] to coordinate external review of your application. Submit the final application to the [Simons Foundation website](#) [3] by February 18, 2023. Please also submit the final application and OR-5 to research.services@uoguelph.ca [4] by February 18, 2023.

For More Information

For more information contact research.honours@uoguelph.ca [5] or allgrants@simonsfoundation.org [7]. Please also visit the [Simons Foundation website](#) [3] for more details.
