

Sloan Research Fellowship – 2024

Sponsor

Alfred P. Sloan Foundation

Description

The Sloan Research fellowships seeks to stimulate fundamental research by early-career scientists and scholars of outstanding promise. These two-year fellowships are awarded yearly to early career researchers in recognition of distinguished performance and a unique potential to make substantial contributions to their field.

The award categories are: Chemistry, Computer Science, Economics, Mathematics, Earth System Science, Neuroscience, Physics.

Eligibility

- Candidates must hold a Ph.D. or equivalent degree in chemistry, computer science, Earth system science, economics, mathematics, neuroscience, physics, or a related field.
- Candidates must be members of the faculty of a college, university, or other degree-granting institution in the U.S. or Canada.
- Candidates must be tenure-track, though untenured, as of September 15 of the nomination year.
- Candidate's faculty position must carry a regular teaching obligation.

Prize

Sloan Research Fellowships are valued at \$75,000 for a two year period.

Deadlines

How to Apply

Sloan Research Fellowship – 2024

Published on Research Alerts (<https://www-research.uoguelph.ca/research/alerts>)

The Vice-President (Research) encourages nominations for this prestigious award, and will serve as nominator for those nominees recommended by the Honours and Awards Advisory Committee. If you wish to nominate a colleague or to be considered for VPR nomination:

1. We recommend discussing your interest in this award with your College Research Manager and Associate Dean (Research).
2. Complete an [Expression of Interest](#) [1].
3. Send the completed Expression of Interest document and a CV to ailsakay@uoguelph.ca [2] and copy your College Research Manager by the internal deadline.

As this is an international prize, the University may engage the [Global Excellence Initiative](#) [4] to coordinate external review of nominations.

Career interruptions due to parental leave, family care, extended illness, or community responsibilities will not negatively impact the committee's assessment of a candidate's research productivity. These will be taken into consideration when EOIs are assessed.

If your nomination will be submitted by a different nominee, and therefore does not require the Vice-President's endorsement, please submit a complete nomination and signed OR-5 to research.services@uoguelph.ca [3] by the external deadline.
