

Steacie Prize in the Natural Sciences – 2022

Sponsor

Trustees of the E.W.R. Steacie Memorial Fund

Description

The Steacie Prize is an award of \$10,000 presented once a year to a scientist or engineer of 40 years of age or less for outstanding scientific research carried out in Canada. It is completely separate from the NSERC Steacie Fellowships.

"The E.W.R. Steacie Prize was an unexpected, but delightful, surprise for doing what I enjoy best doing... scientific research. It gave me the confidence (and courage) at a young age to forge the career I have today, and it helped open doors along the way." Dr. Beveridge - University of Guelph, 1984.

Eligibility

Must be 40 years of age or younger and is awarded for outstanding research.

Candidates for the prize are nominated by their colleagues. ORS is available to facilitate making nomination asks if desired.

Prize

An annual award of \$10,000.

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [1].
