

US DoD - Reconstructive Transplant and Combat Readiness—Medical Research Program

Sponsor

United States Department of Defense (DoD)

Program

Congressionally Directed Medical Research Program (CDMRP)

For More Information

Complete and detailed descriptions of these funding opportunities, evaluation criteria, and complete submission requirements can be found in the specific Program Announcements. The Program Announcements are available electronically for downloading from the [Grants.gov](#) [1] website by performing a search using Department of Defense as the Agency in the left search column.

Description

Pre-announcement => Reconstructive Transplant Research Program

Advanced Technology Development Award

Investigator-Initiated Research Award

Announcement => Combat Readiness—Medical Research Program

Rapid Development and Translational Research Award

Descriptions of each of the *anticipated* funding opportunities, eligibility, key mechanism elements, and funding can be found in the Program pre-announcement. FY21 pre-announcements can be found in the [Congressionally Directed Medical Research Program](#) [2] home page. Subsequent notifications will be sent when the program announcements/funding opportunities are released.

Detailed descriptions of the funding opportunity, eligibility, evaluation criteria, and submission

requirements can be found in the Program Announcements. The Program Announcements are available electronically for downloading from the [Grants.gov](#) [1] website, the Congressionally Directed Medical Research Program website and the electronic Biomedical Research Application Portal ([eBRAP](#)) [3].

Additional information about applying to CDMRP programs, as well as tips for successfully preparing applications for different types of CDMRP award mechanisms, are available in the [CDMRP Webinar Series](#) [4].

Funding Availability

See specific call for applicable funding information.

Indirect Costs

10%

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research COVID-19 web-page](#) [5].

If you are considering applying, please contact Angela Vuk at avuk@uoguelph.ca [6] as soon as possible to assist with application requirements.

Please submit your LOI/application/proposal, along with an OR-5 Form to research.services@uoguelph.ca [7].

How to Apply

Submission is a two-step process requiring both pre-application submission through the electronic Biomedical Research Application Portal ([eBRAP](#)) [8] prior to the pre-application deadline, and full application submission through [Grants.gov](#) [1]. All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the [Grants.gov](#) [1] website. For detailed information on the submission process, refer to the specific Program Announcement/Funding Opportunity. If you are interested in applying, **please contact the Office of Research as soon as possible so we can work through the application process and [Grants.gov](#) [1] with you.**
