Sponsor

The Volvo Environment Prize Foundation

Description

Since the first award in 1990 the **Volvo Environment Prize** has become one of the scientific world's most respected environmental prizes. The Volvo Environment Prize is awarded for outstanding innovations or scientific discoveries that in broad terms fall within the environmental field. Laureates represent all fields of environmental and sustainability studies and initiatives.

Eligibility

The span of disciplines and activities for which nominations can be made is wide and includes all disciplines which have relevance to the environment. The research of nominees should be based on scientific grounds but must clearly show impacts outside of the specific discipline. Please note that self-nominations are not accepted.

Prize

This annual prize consists of a hand-crafted diploma, a glass sculpture, and a cash award for SEK 1.5 million (approximately EUR 150,000, USD \$160,000, or CDN \$219,000).

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

3. Send the completed Expression of Interest document and a CV to ailsakay@uoguelph.ca and copy your College Research Manager.

Career interruptions due to parental leave, family care, extended illness or community responsibilities will not negatively impact the committee's assessment of a candidate's research productivity. These will be taken into consideration when EOIs are assessed.

As this is an international prize, the University may engage the [Global Excellence Initiative](#) to coordinate external review of nominations.

?If your nomination will be submitted by a different nominee, and therefore does not require the Vice-President's endorsement, please submit a full nomination and OR-5 to research.services@uoguelph.ca by the external deadline.
