

The WiSTEM2D Scholars Award Program 2021

Sponsor

Johnson & Johnson

Description

The Johnson & Johnson Scholars Award Program aims to fuel development of female STEM²D leaders and feed the STEM²D talent pipeline by awarding and sponsoring women at critical points in their careers, in each of the STEM²D disciplines: Science, Technology, Engineering, Math, Manufacturing and Design.

The goal is to fuel the research passion of the awarded women and inspire career paths in their respective STEM²D fields. Johnson & Johnson is looking to identify global women leading in both their research fields and leading as mentors, to be a vision for girls and other women in STEM²D.

Program details and timeline are not yet confirmed. This information will be updated when the program launches.

Eligibility

You must be an assistant female professor or global equivalent faculty position at the time of application at an accredited academic university, institution or design school. You must be working in the field(s) of Science, Technology, Engineering, Mathematics, Manufacturing and Design (STEM²D). Each university can support one applicant per STEM²D discipline; six applicants in total. The female scholar should have a minimum degree for the appropriate field:

- Science; M.D., Ph.D.
- Technology; Ph.D.
- Engineering; Ph.D.
- Math; M.S., Ph.D.
- Manufacturing; Ph.D.
- Design; M.A., M.S., MDes, MArch, MFA, MLA, Ph.D.

Judges will use the following criteria to evaluate the applications:

- Scientific/technical expertise exhibited

- Novelty/innovation of the research
- Potential impact of the research
- Feasibility of the research

Prize

The Scholars Award is a three-year award in the gross amount of \$150,000 (USD), which will be paid to the University (the “Recipient”) for the benefit of the Johnson & Johnson Scholar and her research, with the understanding that the Recipient will administer the funds. The Scholars Award will be paid in three (3) installments of U.S. \$50,000 per year of the three-year scholarship period, payable in 2022, subject to compliance with the terms and conditions of the program’s Agreement.

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#).

		<p>Johnson & Johnson WiSTEM2D website [3].</p> <ul style="list-style-type: none">• An up-to-date CV of the nominee <p>Each university can support one applicant per STEM2D discipline; six applicants in total. If the University receives more than one EOI for a single discipline, the EOIs will be evaluated by the Research Honours and Awards Advisory Committee.</p>
External Deadline	Friday, October 15, 2021 - 3:00pm	<p>Please submit a complete nomination and OR-5 to research.services@uoguelph.ca [4] and research.honours@uoguelph.ca [2] by the external deadline.</p>

How to Apply

The scholar applicant is responsible for the provision of documents into the [application system](#) [5], including non-confidential letters of recommendation.

- Submit a university or school department head letter of recommendation.
- Write 1,000 words detailing your proposed area of research. One additional page can be added for images, or references.
- Submit your resume (three pages, font size 11), including a list of publications, presentations, abstracts, current financial support already obtained, other folio work and two references.
- Submit a brief outline of your budget for proposed research. (Note: a [template](#) [6] is provided if needed.)

For more information, contact the [Johnson & Johnson WiSTEM2D website](#) [3] or email the University of Guelph contact at research.honours@uoguelph.ca [2]
