

## WSIB 2020 Grants Program - Call for Proposals

### Sponsor

Workplace Safety and Insurance Board (WSIB) Ontario

### Program

[WSIB 2020 Grants Program](#) [1]

### Description

The WSIB's Grants Program enhances workers' compensation system outcomes by supporting innovative proposals that are aligned to the WSIB's strategic mandate. The program accomplishes this through highly practical research studies delivered by professionals and organizations that can strengthen Ontario's workers' compensation system now and in the future.

The following research priorities have been identified for the 2020 call, based on WSIB's Strategic Plan:

- Making Ontario a safer place to work
- Improving return to work and recovery outcomes
- Meeting the needs and expectations of WSIB's customers

The [grants agenda](#) [2] provides more information on the priority areas and topics of interest for the 2020 proposal.

The WSIB Grants Program accepts the following types of proposals:

#### 1. Research Proposals

- Expert research proposals that deliver practical results for the workplace safety and compensation system
- Workplace-based projects that create partnerships between the workplace, researchers and organizations

#### 2. Training Proposals

- Initiatives that help people with workplace injuries and illnesses, employers and the workplace safety and compensation system solve long-standing barriers
- Innovative opportunities that build capacity in the community and offer significant

potential to improve system results
