Date

Thursday July 16, 2015 12:00pm to 1:00pm

Location

SCIE 1304

Description

Led by Tom Crabtree, IT Analyst

Pivot is an online application that enables researchers to discover the right funding opportunities by providing the most comprehensive, editorially maintained databases of funding opportunities and scholar profiles available. Designed for research development professionals, faculty, staff researchers and graduate students, Pivot links scholars with funding and funding with scholars using powerful and intuitive tools. Join us at this hands-on workshop to learn the basics of ProQuest Pivot including: locating, tracking and sharing funding opportunities as well as maintaining your Pivot profile.

No reservation necessary but space is limited to 20. It is highly recommended that you create your Pivot Account prior to attending this session.

See <http://www.uoguelph.ca/research/for-researchers/funding/find/pivot#account> for details.

Sessions open to faculty, staff, and post-doctoral students.
