

Faculty Information Exchange 2015-16: Managing International Projects and Collaborations

Date Location
Wednesday April 13, 2016 12:00pm to 1:00pm UC441

Description

Led by

Dr. Helen Hambly, *Associate Professor, School of Environmental Design & Rural Development*

Dr. Jay Subramanian, *Professor, Department of Plant Agriculture*

Successful international grant recipients, Drs. Hambly and Subramanian will present strategies and tips for researchers to help secure international funding toward building their research program and manage the projects in complex settings.

This is an opportunity to have international collaborations questions discussed.

All welcome!

For more information contact Patti Minakis, ext. 56943

Be part of the conversation!
