

NSERC Strategic Partnership Grants for Projects – Information Session

Date

Thursday February 11, 2016 10:30am to
12:00pm

Location

UC 441

Description

Wendy Ryan, Senior Manager in the Research Partnerships portfolio at NSERC, will present an information session for the [NSERC Strategic Partnership Grants for Projects](#). Successful applicants and grant holders will also present. The session will include a question and answer period for participants.

The Strategic Partnership Grants for Projects program funds early-stage project research with the goal to increase research and training in targeted areas that could strongly enhance Canada's economy, society and/or environment within the next 10 years. **The targeted areas for the 2016 competition are: advanced manufacturing; environment and agriculture; information and communications technologies; and natural resources and energy.**

All researchers and prospective applicants in the 2016 competition are welcome to attend. Please RSVP to Patti Minakis at pminakis@uoguelph.ca by Wednesday February 3, 2016.
