- The academic co-investigators; or
- The interns involved in the Mitacs funded project on which they worked together

Because of the nature of this award, it is expected that several individuals may contribute to the preparation of a nomination submission. One person should act as the lead in this process so that a single nomination is submitted on behalf of the professor.

## Funding Availability

Award winners will receive a \$500 cash prize.

## Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**
