
Call for Proposals – Promotion of Rural Economic Development in the Dry Corridor of Honduras

Sponsor

Foreign Affairs, Trade and Development Canada (DFATD)

Program

Promotion of Rural Economic Development in the Dry Corridor of Honduras

For More Information

- View and download the application form directly from the [Call for Proposals](#) [1] on the DFATD website.
- Information posted on the Development section of DFATD's website, including the [Frequently Asked Questions](#) [2], represents the only official interpretation of the application process.

Description

Projects funded under this call for proposals must contribute to the achievement of the following ultimate outcome:

- **Ultimate outcome:** Improved economic well-being of small-scale entrepreneurs and producers in the Dry Corridor, especially women, youth and marginalized people living in poverty.

Projects must also contribute to the achievement of *at least one* of the two following intermediate outcomes:

- **Intermediate outcome 1:** Improved business, technical and/or financing practices by small-scale enterprises, especially those led by or mainly employing women, youth and/or marginalized people living in poverty.
- **Intermediate outcome 2:** Increased productivity and sales by small-scale enterprises, especially those led by or mainly employing women, youth and/or marginalized people living in poverty.

Eligibility

- This call for proposals is open to Canadian, international and local organizations.
- The applicant and/or University of Guelph must demonstrate **at least three years** of experience in managing and implementing one or more international development projects in the areas of economic or rural development that produced positive results.
- The applicant and/or University of Guelph must also have **at least three years** of experience implementing one or more international development projects in Spanish-speaking Latin America.
- At least one of the projects managed by the applicant and/or University of Guelph must have had a value of three million dollars (\$3,000,000) or more.
- Only organizations that meet all of the eligibility requirements listed on the application form may be considered a consortium lead or individual applicant under this call for proposals.
- Organizations that do not meet the minimum eligibility requirements may form a consortium with another organization that does meet all of the eligibility requirements.

Funding Availability

\$35,000,000 CAD

Maximum Project Value

DFATD will fund projects valued at between \$5,000,000 - \$12,000,000 CAD

Indirect Costs

12%

Project Duration

4 – 6 years (between 2016 - 2022); projects must be fully completed, including all project reporting requirements, by February 15, 2022.

Special Notes

The University of Guelph may submit only one application in this competition, either on its own or as the lead organization in a consortium. However, there is no limit on the number of applications an organization may be a part of as a non-lead member of a consortium. Please refer to details under “Internal Deadlines” below for more information on the internal adjudication process to take place, if necessary.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Thursday, June 25, 2015 - 4:30pm	Please submit your intent to apply, along with an OR-5 Form to research.services@uoguelph.ca [3] . If required, intents to apply received will be adjudicated with input from the Associate Vice-President Research Services and/or Research Services Council. The applicant selected to develop a full proposal will be notified on June 30, 2015 and must submit their full application to research.services@uoguelph.ca [3] by July 8, 2015, 4:30 pm.

Your intent to apply documentation must include:

- Name of PI, Collaborators and their affiliations;
- Project title;
- Start and end dates;
- Budget request (including overhead);
- A summary of your/your team members experience managing and implementing an international development project in the areas of economic or rural development (project name, location, value in Canadian dollars; start and end-dates; description; results achieved; your role in the project);
- A summary of your/your team members

Type	Date	Notes
		<p>experience implementing an international development project in Spanish-speaking Latin America (project name, location, value in Canadian dollars; start and end-dates; description; results achieved; your role in the project);</p> <ul style="list-style-type: none">• A summary of your proposal for Promotion of Rural Economic Development in the Dry Corridor of Honduras (address the ultimate outcome and at least one of the two intermediate outcomes described in the “Description” section of this funding notice).
