
CCSRI – Career Development Awards in Prevention

Sponsor

Canadian Cancer Society Research Institute

For More Information

please go to the [Canadian Cancer Society](#) [1] website.

Description

The goal of this program is to provide salary and research support during the early years of a developing career for cancer prevention researchers. The program is designed to support researchers whose work has the potential for high impact within the domain of prevention/risk reduction research.

Eligibility

Assistant professor within the first five years of their appointment or Postdoctoral fellow with at least one year of postdoctoral training completed

Funding Availability

\$75,000/year to a maximum of \$225,000 per award - at least \$50,000 must be used for salary support except where it exceeds the institution salary scale – anticipates 8 awards will be funded

Indirect Costs

0%

Project Duration

up to 3 years

Special Notes

Applications focusing on quality of life or psychosocial outcomes will not be considered under this funding opportunity.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Wednesday, March 25, 2015 - 4:30pm	to Office of Research. Please submit your application/proposal along with an OR5 form to research.services@uoguelph.ca [2]
External Deadline	Wednesday, April 1, 2015 - 5:00pm	

How to Apply

Full application must be submitted by the applicant through the CCSRI's online application system [EGrAMS](#) [3]
