CCSRI – Innovation to Impact Grants 2015

Sponsor

Canadian Cancer Society Research Institute

For More Information

For more information, please go to the CCSRI Grants & Awards [1] website.

Description

These grants are intended to support the further development of successful findings based on the goals originally explored through a CCSRI Innovation Grant. This limited 2nd phase of funding is available to build upon **significant findings** from a successful Innovation Grant.

Eligibility

Investigator's with a funded CCSRI Innovation Grant are eligible for this program.

Funding Availability

up to \$150,000/year.

Indirect Costs

0%

Project Duration

Maximum term of 3 years, up to 5 grants awarded.

Special Notes

Abstract registration must be completed in order to submit a full application and must be submitted by the Principal Investigator or Co-Principal Investigator of the original Innovation Grant. *Applications can be made within two years of the end date of the original Innovation*

CCSRI – Innovation to Impact Grants 2015
