For More Information

For more information, please go to the [sponsor](#) [1] website.

Description

This funding opportunity will support two types of projects: knowledge syntheses and scoping reviews. Applications to synthesize knowledge in any of CIHR's four themes - biomedical; clinical; health services and policy; population and public health - are eligible provided that they respond to a knowledge user identified need. Please note that the intent of this funding opportunity is to fund the synthesis of existing knowledge; thus, collection of primary data or activities related to primary research are not meant to be supported.

Eligibility

Must be at least 2 Project Leaders – Faculty member and a Knowledge User - Individuals who hold a Foundation Scheme grant in the role of Program Leader are not eligible to apply to the Knowledge Synthesis competition in the role of Nominated Principal Applicant or Principal Applicant. **(Updated: 2015-08-04)**

Funding Availability
