# CIHR – Knowledge Synthesis Grant Spring 2015

#### Sponsor

CIHR - Science, Knowledge Translation and Ethics Branch

### **For More Information**

For more information, please go to the <u>sponsor</u> [1] website.

# Description

The purpose of this funding opportunity is to support teams of researchers and knowledge users to produce knowledge syntheses and scoping reviews that will contribute to the use of synthesized evidence in decision-making and practice. Applications to synthesize knowledge in any of CIHR's four themes - biomedical; clinical; health services and policy; population and public health - are eligible provided that they respond to a knowledge user identified need. Please note that the intent of this funding opportunity is to fund the synthesis of existing knowledge; thus, collection of primary data or activities related to primary research are not meant to be supported.

# Eligibility

Must be at least 2 Project Leaders – Faculty member and a Knowledge User.

# **Funding Availability**

Max amount for knowledge synthesis \$100,000 & max amount for scoping review \$50,000 – funds for approximately 15 grants.

### **Indirect Costs**
