Description

The Mitacs Globalink Research Award – Campus France is an exciting new competitive initiative that provides the opportunity for faculty members and senior undergraduate and graduate students at Canadian universities to participate in 12– to 24–week research projects supervised by a faculty member at a French university. Mitacs and Campus France strive to ensure that Globalink Research Award – Campus France students have a high-quality research experience with internationally recognized professors who facilitate expanding their knowledge and provide hands-on training in their field of study.

Eligibility

Must be registered at a Canadian university as a senior undergraduate or graduate student, and be supervised by a faculty member at a Canadian university. Student must be a Canadian citizen or permanent resident.

Funding Availability

Students will receive up to $5,000 receive award to the Canadian supervisor to support student travel expenses, research related expenses, and student stipend. In addition, Campus France will provide a $5,000 award to cover accommodation and local expenses in France. These funds will be provided to the student directly upon their arrival in France.

Project Duration

12 – 24 weeks; projects can start as early as early as February 2016 and as late as December 31, 2016.

Special Notes
