Description

The Mitacs Globalink Research Internship is a competitive initiative for international undergraduates from Australia, Brazil, China, France, India, Mexico, Saudi Arabia, Tunisia, and Vietnam.

Eligibility

Enrolled in a full time undergraduate or combined undergrad/Master's program, meet grade requirements from Australia, Brazil, France, China, India, Mexico, Saudi Arabia, Tunisia, or Vietnam interested in exploring your field of study in Canada. Have a minimum of 1 semester and a Maximum of 3 semesters remaining in your program as of September 2016.

Project Duration

Be available to complete a 12-week internship, arriving in Canada between May 1 and June 30, 2016. Interns must return to their country of study between July 31 and September 30, 2016. Possess a valid passport from their home country that is valid until at least January 2017.

Special Notes

Globalink Research Internship alumni interested in returning to Canada for graduate studies are eligible for the [Globalink Graduate Fellowship](#) [2].?

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
