

Office of the Privacy Commissioner of Canada- Call for Pathways to Privacy Knowledge Translation Projects

Sponsor

Office of the Privacy Commissioner of Canada (OPC)

Program

Pathways to Privacy Knowledge Translation Projects

For More Information

Please visit the [program's website](#) [1] for

- [Program Guidelines](#) [2]
- [Application Forms](#) [3]

Description

The OPC is making funding available to eligible organizations for the organization of [Pathways to Privacy](#) [4] knowledge translation initiatives in Canada.

Funding will be provided to initiatives that translate into action the results of previously funded research under the [OPC Contributions Program](#) [5] and other funding programs, as well as privacy knowledge translation proposals that address issues in the private sector or that are at the interface between the private and public sectors are eligible for funding.

Eligibility

Academic Institutions

Maximum Project Value

\$50,000

Indirect Costs

15%

Project Duration

Privacy knowledge translation initiatives funded under this call must be completed *no later than March 31, 2016*. Funds will only be paid for expenses that are incurred in the same fiscal year as the funds are awarded.

Special Notes

Research priority areas:

1. The economics of personal information
2. Government surveillance
3. Reputation and privacy, and
4. The body as information

Applications must be received by OPC on or before the deadline in order to be deemed eligible.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
