Description

(sponsors cont'd: Maria Cecilia Souto Vidigal Foundation, Palix Foundation, UBS Optimus Foundation, World Vision Canada)

With the ultimate goal of increasing human capital and tackling existing inequalities, Saving Brains seeks bold ideas for products, services and implementation models that protect and nurture early brain development in a sustainable manner. Through this Request For Proposals, Saving Brains will support applications for seed funding to develop and validate these bold ideas.

Proposals will test the proof of concept of innovation solutions relevant to poor, marginalized populations in low-or middle-income countries and designed to have sustainable impact at scale.

Eligibility
