

## KRESCENT 2016 – New Investigator and Post Doctoral Fellowship

### Sponsor

The Kidney Foundation of Canada, The Canadian Society of Nephrology and the CIHR Institute of Nutrition, Metabolism and Diabetes

### For More Information

For more information, please go to the [KRESCENT](#) [1] website.

### Description

The KRESCENT program New Investigator Award is awarded to individuals who have clearly demonstrated excellence during their pre-doctoral and post-doctoral training in kidney disease.

A KRESCENT program Post-Doctoral Fellowship is an “in-training” award intended for applicants with a PhD, MD or equivalent degree. The objective is to attract and foster young investigators to initiate and/or continue training in kidney research.

### Eligibility

New Investigator (NI): within the first three years of their first faculty appointment (assistant professor level or equivalent) at the time the Award commences, who have a MD and/or PhD  
New Investigator

NI and Post Doctoral: Canadian Citizen or Landed Immigrant at time of application

### Funding Availability

NI: \$65,000, PD: \$55,000 Annual Stipend without benefits

### Indirect Costs

0%

### Project Duration

Up to 3 years

## Special Notes

For both the NI and PD, stipends are valued in Canadian dollars and are taxable. It is expected that 50% of the award will be contributed by the KRESCENT Program and 50% will be contributed by the host institution.

## Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**

Type	Date	Notes
<b>Internal Deadline</b>	Friday, February 5, 2016 - 4:30pm	Please submit your application/proposal along with an OR5 form to <a href="mailto:research.services@uoguelph.ca">research.services@uoguelph.ca</a> [2]
<b>External Deadline</b>	Monday, February 15, 2016 - 11:45pm
