
National Pork Board – Human Nutrition request for pre-proposal

Sponsor

National Pork Board

Program

Pork Safety, Quality and human Nutrition Committee

For More Information

[Letter of Intent](#) [1]

Description

The National Pork Board's Pork Safety, Quality and Human Nutrition Committee is requesting pre-proposals in Human Nutrition research. The proposal process uses an initial letter of Intent (LOI) used for prescreening. Please see the specific research topics in the program information. All proposals submitted must address at least one of the specific research topics described below (See link below). Novel approaches and concepts to the research topics are encouraged.

Eligibility

Faculty members

Funding Availability

There are no exact funding limits for submitted proposals but the budget request should be appropriate and justified for the work that is being proposed. Researchers are encouraged to find matching funds or in-kind contributions for the project when possible.

Indirect Costs

0%

Project Duration

Projects may be multi-year. For multi-year projects, expected deliverables and budgets should be broken down by year.
