### **Description**

The Social Sciences and Humanities Research Council (SSHRC) annually provides the University of Guelph with an Institutional Grant (IG).

*Travel Grants* are intended to subsidize the cost of travel required to support national and international knowledge mobilization within and/or beyond the research community. It is the expectation that applicants who receive a Travel Grant will apply for an external SSHRC grant (any program) within three (3) years of the end of their Travel Grant.

**NEW!: Proposed Dates of Travel for this competition are October 1, 2016 – February 28, 2017.** Travel dates outside of the above mentioned dates will be ineligible. Travel Grants will no longer be available to reimburse travel expenses/claims which have occurred in the past.

### **Eligibility**

All regular faculty members, including probationary, tenured and contractually-limited term appointees, are eligible. Contractually-limited term applicants and postdoctoral fellows are eligible, provided they are employed under a contract with the University for a period sufficiently long to make it feasible to carry out the proposed research project and/or travel. Professors emeriti are also eligible for this program. Visiting fellows and scholars are not eligible.

**Note:** SIG applications may be used to support research and research-related activities in one to several of the disciplines, thematic areas, approaches or subject areas eligible for SSHRC funding. Please see [Subject Matter Eligibility](#) [2] for more information.

## Maximum Project Value

*Conference Travel Grants* - \$1,500 will be made to successful applicants in any one calendar year. **Applicants may only submit one (1) application in each competition, but a single application might cover a number of activities all leading to the development of one (1) external SSHRC application.** Travel funds awarded are to be spent within 2 months after the date of the conference or award date (whichever is later). **Funds not utilized within this 2 month period will be recalled.**

## Indirect Costs

## Special Notes

A minimum amount of SIG funding awarded to the University by SSHRC will be made available to support [emerging scholars, as defined by SSHRC](#) [3] in each competition (25% of SIG funding).
