

To: David M. Mutch, PhD
Dept. of Human Health and Nutritional Sciences
University of Guelph
Guelph, Ontario N1G 2W1

Dr. Mutch,

To ensure safe and appropriate reprocessing of medical equipment, the Guelph General Hospital adheres to federal and/or provincially developed guidelines when it comes to the hospital's sterilization policies and procedures. These guidelines include, but are not limited to:

- Health Canada's Infection Control Guidelines
- Provincial Infectious Disease Advisory Committee (PIDAC)
- Canadian Standards Association
- Accreditation Canada
- Advancing Safety in Medical Technology (AAMI)

Kind Regards,

Jen Ritchie

Manager, Sterile Processing Department
Guelph General Hospital
