## AS A QUALITATIVE RESEARCHER, I...

- Did my research and got a good, diverse sample
  - Reflected from my own positions
  - And my own social locations
  - Considered what it means to live in COVID times from many locations
- 

## WHAT DID I LEARN?

1. Recognize that you are human and how/who you are
2. Develop good habits – don't fall prey to the culture of over-work or unrealistic expectations
3. Be part of and/or create community
4. Build your research funding success by beginning small
